You may feel hesitant to call your doctor if your baby's movements are decreased, fearing that you're feeling anxious over nothing. Even though there is a chance that your baby will begin kicking up a storm the instant you arrive at the doctor's office, taking that chance is preferable to sitting at home and feeling scared that something is wrong with your baby.

Rainbow baby definition: the meaning behind a rainbow baby and how infertility has made me hesitant to use it. There are few things sweeter or cuter than the pictures moms take of their rainbow baby in cute rainbow clothes or with a rainbow backdrop. I always smile at the sweet sentiment and love for these babies that were so wanted and so welcomed.

Madame Valmonde had not seen Désirée and the baby for four weeks. When she reached L'Abri she shuddered at the first sight of it, as she always did. It was a sad looking place, which for many years had not known the gentle presence of a mistress, old Monsieur Aubigny having married and buried his wife in France,...

Accessorize with baby gear. To complete the ensemble, you've got to have the right baby gear. No cell phones, belts, or watches. Trade them in for sippy cups, baby bottles, and pacifiers. Make sure to have several bottles of baby-scented lotions and powders and diaper creams on hand once you begin acting like a baby.
