After the Ashes is more than a typical survival hand guide. Because of the realization that atomic warfare is likely inevitable, it seeks to both inform the reader of why this is the case, and beyond merely lists of survival materials, attempts to enumerate reasonable ways in which mankind can, as it must, recover after such an event.

After the Flash: Osaka. In Japan, the situation is flipped around somewhat. During the war, the United States Marine Corps used Japan as a major staging point for the invasion of mainland China. When the flash occurred, the few surviving marines were left stranded in the apocalyptic Japanese wasteland.

The 2019 Ashes series began with Australia leading England by 33 series to 32, with five drawn series. Australia had won four of the last 10 Ashes series, including winning the most recent series 4-0 in 2017-18, but the 2015 series, the most recent to be held in England, was won 3-2 by the home side.
