My Life May Be Your Nightmare. I absolutely adore this! That is pretty much all there is to say to it, it's been a long and somewhat draining week here, And Daddy had to work way too long with all the madness in the country, which made him very grumpy, because he has had barely any time to lead the household, so I did take care of both my Emilys and his Niggers

Loving this little tale. You are a great stroker story teller, With a little more build up of the back story and a little more character development, you could have a great incestuous love story. 10 to 30 or even more hot, sexy, loving chapters of a great love affair between mother and son. I could even see adding aunt and mommy's best friend and still make it a true love story.

Welcome to the Digital Nomad Packing List. If you're a frequent Pack Hacker visitor, you probably already know what a digital nomad is. If not, here's a definition from Wikipedia: "Digital Nomads are a type of people who use telecommunications technologies to earn a living and, more generally, conduct their lives in a nomadic manner." While a little jargony, that definition certainly ...

If you were a collector in the 1980s, the answer to, "What baseball cards are worth money?" was ... what baseball cards aren't worth money?!. But a lot has happened since those halcyon hobby heydays, and the general impression now is that those old baseball cards aren't worth the pulp they're printed on.
