Desiring China: Experiments in Neoliberalism, Sexuality ...

Desiring China is an exciting work of cultural interpretation, and it is an innovative guide for studying the cultural practices and political possibilities in globalizing China.” — Aihwa Ong, author of Neoliberalism as Exception and coeditor of Privatizing China

Duke University Press - Desiring China

In a study at once ethnographic, historical, and theoretical, she contends that neoliberal subjectivities are created through the production of various desires—material, sexual, and affective—and that it is largely through their engagements with public culture that people in China are imagining and practicing appropriate desires for the post-Mao era.
