Doctor Spocks Baby And Child Care | Download eBook pdf ...

Benjamin McLane Spock (May 2, 1903 - March 15, 1998) was an American pediatrician whose book Baby and Child Care (1946) is one of the best-selling volumes in history. The book's premise to mothers is that "you know more than you think you do." Spock was the first pediatrician to study psychoanalysis to try to understand children's needs and family dynamics.

Dr. Spock's Baby Basics - Barnes & Noble®

If first aid is not given properly, it can sometimes hurt rather than help an injured or ill person, or even be harmful to the person giving the first aid. All workers should know where the emergency first aid equipment is located, and what medical professional or medical facility should be contacted if a medical emergency should occur.
