#### **Ending Hunger An Idea Whose**

Ending hunger on the planet does not mean no one dies as a result of hunger or hunger related diseases. It means that no country on the planet has an infant mortality rate over 50. When the book was written in 1985, the popular belief was that it was not possible to end hunger. The Hunger Project, with this book started an effort to create a shift in the public discourse. The objective was to get people to acknowledge and readily agree, hunger can be ended. That was accomplished. People know ...
