Few Parenting Plans explicitly mention snow days, principally because they fit naturally into the regular school schedule. All Parenting Plans state that one parent at the conclusion of a physical custody period returns the child to school or at a particular time (usually 8:00 a.m.) to the other parent when school is not in session.

Start and end dates for holiday visitation. However, this type of divide most often results in unequal parenting time during the break from school. If, in a given year, the break begins on December 21, and the exchange point is midday on Christmas Day, then the parent with the first half of the break only gets four days of parenting time, while the other parent may have 10 or 12 days.

In Summer Days, where she is the protagonist, Setsuna is shy and timid, in contrast to her more serious portrayal in School Days. Her mother, Mai, only makes an appearance in Summer Days. With the exception of Kokoro Katsura, Setsuna is the shortest character of the main cast, and is often mistaken for a junior high school student, a trait she is well aware and conscious of.
