#### **Sergio Saves The Game**

Sergio dreams of being a soccer star. In real life, the penguin is not as athletic as he would like. With the biggest game of the year approaching (against the imposing Seagulls), Sergio continues to improve as goaltender. When the game comes down to the final penalty shot, Sergio uses all his talents to save the win for his team. It may not be the way he planned it, but Sergio (and the reader) will be pleased with the unexpected resolution.

#### **Sergio Saves the Game: Edel Rodriguez: 9780316066174 ...**

Sergio, a penguin, dreams of being a great soccer star, but is in fact clumsy and small. He practices and practices until he gets better and his team makes it to the finals against the Seagulls. Sergio and his team work very hard and win the game with Sergio saving the team by blocking the ball by spearing it with his beak.

#### **Sergio Saves the Game by Edel Rodriguez - Goodreads**

Sergio Saves the Game is a wonderful inspirational story. It really showed how hard work will pay off and allow you to be successful. There was some humor and funny pictures. The storyline was great and very easy to follow. Edel did a great job portraying the seagulls as huge and intimidating opponnets. It's always great to see the underdog win.

#### **Sergio Saves the Game by Edel Rodriguez, Hardcover ...**

<p>Sergio's a soccer star... in his dreams. He can't even kick the ball! So Sergio decides to try playing another position — goalie! He isn't so good at first, but with hard work and practice, he's ready for the game against the big, bad Seagulls.

#### **Sergio Saves the Game - | Scholastic**

Enthusiastic but clumsy—"It's not you, it's all this ice!" says his mother, but the other penguins don't seem to have a problem—Sergio finds himself playing goal in a last-ditch attempt to keep himself in the game. Marred by awkward writing—"The entire team celebrates and cheers with joy!"—and a hard-to-track spread of game action, everypenguin Sergio's second outing doesn't measure up ...

#### **SERGIO SAVES THE GAME! by Edel Rodriguez ... - Kirkus Reviews**

In Sergio Saves the Game, Sergio is a fantastic soccer player... in his dreams. In real life, he trips and slips and slides and shoots and scores. In real life, he trips and slips and slides and shoots and scores.
