The classic tales of the Bobbsey twins follow the daily life adventures of a family that has two sets of twins, one older and one younger. My 5 year old twins love these books, and we read a chapter or more to them each night. The end of each chapter has a good cliff-hanger to pique interest in the next chapter.

The Bobbsey Twins Series - Penguin Random House

What is my book worth? Difficult to answer. More than likely, it's worth very little due to the fact that The Bobbsey Twins are not a very collectable series. There are some exceptions--printings or editions which still bring a decent amount of money, but even those values have significantly decreased over the past 10 years, due to markets ...
