The Charismatic Connector Advantage - eventbrite.com

Charisma is compelling attractiveness or charm that can inspire devotion in others. Scholars in sociology, political science, psychology, and management reserve the term for a type of leadership seen as extraordinary; in these fields, the term "charisma" is used to describe a particular type of leader who uses "values-based, symbolic, and emotion-laden leader signaling". In Christian theology, the term appears as charism, an endowment or extraordinary power given by the Holy Spirit.

Charisma - Wikipedia

Abstract. Charismatic leadership is more likely to be found when the organization has a mission that can be linked to follower values and identities; the work is unstructured; performance cannot be measured clearly; and the appropriate strategies for attaining performance goals are not evident.
