Amazon.com: the coparents handbook: Books

The Coparent's Communication Handbook is for any divorce or separated parent. This simple text will help improve the coparenting communication and communication between parent and child. The handbook provides a step by step approach to reduce conflict, set limits, make child-focused decisions while keeping your child out of the middle.

Communication for Co-parents

The Communication Tool That's Spelled R-E-S-P-E-C-T! Parents should use respectful language when communicating with one another. A good rule to follow is to write and speak as if someone else besides the co-parent will read or hear their communication. NO name-calling. NO nicknames. NO abusive language.

Coparenting Communication Guide

I'm excited to announce that the audiobook edition of The Co-Parents' Handbook is now available! So many people with long drives for work (or long walks for fun) love listening to books on the go, I'm happy to make the book available to them. I had a wonderful time recording the book in the studio over the summer and fall.
