The New Traditional Reinvent Balance Define Your Home ...

In higher ed enrollment lingo, nontraditional students are typically defined as being either a part-time student, one who works full-time or is considered financially independent, has dependents, is a single parent, or has delayed enrollment into postsecondary education for any reason. But nontraditional is the new traditional in 2017.

Mincing Words: Nontraditional is the new traditional ...

For more detailed explanation of these characteristics, please see Rigor Without Rigidity: How to Achieve Balance in the Next Generation PMO (Duggal, 2009). Reinventing the PMO: 6 Transformation Imperatives. To reinvent the PMO, it is important to focus on the existing mindset and understand its limitations.

Reinventing the PMO - pmi.org

The Five Traits of a Traditional Economy. Tradition guides economic decisions such as production and distribution. Traditional economies depend on agriculture, fishing, hunting, gathering, or some combination of the above. They use barter instead of money. Most traditional economies operate in emerging markets and developing countries.
