Theology For Community Of God

This proven systematic theology represents the very best in evangelical theology. Stanley Grenz presents the traditional themes of Christian doctrine -- God, humankind, Christ, the Holy Spirit, the church, and the last things--all within an emphasis on God's central program for creation, namely, the establishment of community.

The Community of Christ's Theology Task Force states that "Jesus Christ is the Word made flesh, both fully human and fully divine." [24] The Holy Spirit is described as the "continuing presence of God in the world" and as the source of divine inspiration.

Community of Christ - Wikipedia

Stanley Grenz. His Theology for the Community of God, a large work of nearly 900 pages, sets forth his postmodern evangelical theology. Grenz became a leading exponent of this approach, and thus can be considered as representative of postmodernism's influence on theology.^ [1]^ Toward the end of his life, he was involved in the beginnings...
