Had a Nexus 7 2013 that wouldn't power up or turn fully off. The tablet wouldn't take any input at all. I did some trouble shooting and found a solution

Nexus 7 (2013) won't Power Up, Here's the FIX!

Thank you all for great answers. I had the same issue. Nexus 7 2nd generation almost brand new and fully charged was not turning on. I tried to charge it for an hour then for 10 hours and hold the power button for couple minutes. Nothing helped. I have followed the steps at. Nexus 7 2nd Generation Teardown. and opened the back cover.
