Ultimate Speed Reading

Reading with comprehension in school, at work, and for pleasure can be a plodding task or a brisk, energizing activity. This book shows readers how to increase their reading speed dramatically for professional, academic, and personal success.

Ultimate Speed Reading by Arthur H. Bell - Goodreads

Still using Ultimate Speed Reader? Do you love the program and not want to give it up? That's understandable, given that it was a good program back in its day. But with the advances in literacy training and software development since it was first introduced nearly two decades ago, it's time to head in a new direction.
